

"INTERNATIONAL CONFERENCE ON CYBERSECURITY - SP DAY"

THURSDAY 27 JUNE 2024

CONCEPT

1. TITLE.

"Stability Policing day"

2. AIM.

Consolidate the pathway to implement the "Technical arrangement among CoESPU, EUROGENDFOR PHQ and NATO SP CoE regarding the cooperation in the area of stability policing", to enhance the "General Chinotto" Compound as an International "Stability Policing Hub", with a specific focus on Cyber Security

3. OBJECTIVES.

- Shared understanding on Stability Policing
- Design common goals among the three entities
- Adhere to emerging training and doctrinal research needs, based on best practices and LL from the field

4. ATTENDEES.

- Guest Speakers and Key-Note Speaker to develop the conference themes
- "Subject Matter Experts" (SMEs) of CoESPU, EUROGENDFOR PHQ, NATO SP CoE and other relevant International Organizations/Institutions

5. EXECUTION METHODOLOGY.

- The event will be managed through the support of an EXECUTIVE SECRETARIAT composed of representatives of CoESPU, EUROGENDFOR PHQ and NATO SP CoE; upon their designation, it will be particularly in charge of the invitations and administrative duties
- Venue: Center of Excellence for Stability Police Units (CoESPU) - Via Medici 87, Vicenza (Caserma Chinotto, The Stability Policing Hub)
- The outcomes of the event will consist of the presentations and discussions of three Guest Speakers on Cyber Threat and Security, selected by the three Organizations augmented by SMEs
- The proceedings will be published in the "CoESPU Magazine - The on-line Journal of Stability Policing - Advanced Studies"
